10. What can we do to improve the meetings? (Comments are not listed in any particular order.)
- Include transportation service providers
  - Balance issues between freight and household goods
  - Dispense with old debates (GBL)
  - Need time for open discussion to hear agency problems and issues
  - Need more freight topics
  - Split meeting – have general session followed by Freight and Household Goods breakout sessions
  - Would like more industry, OGP and OMB speakers
  - Reiterate that agencies need to cooperate on agenda items
  - Would like to hear more regarding OGP retiring the SF1113
  - Keep morning schedule
  - Open the floor for agencies discussions
  - Agencies need to get more participation
  - Keep cooperating with agencies
  - Stress more operational issues and how changes in the program affect how a transportation office does its job
